Summer Concerts

Below is an updated list of the scheduled concerts for June through August. The concert music list for each concert is listed as well. Please look this over carefully and give me a call if you have any questions (H-382-3707, W-231-5879). The band will wear white shirts/blouses and tan or white pants/skirts. Shorts will also be acceptable for outside concerts under hot weather conditions.

Please be responsible, as always, for bringing your own instrument and your own music stand. If you have your music, that is fine, but I will see that the music box with the rest of the music gets there.

THANKS!

Thank you again for all of your hard work and great spirit, and let's keep up the great performance tradition!

MAPS FOR CONCERTS

Maps will be available for all of the concerts with written directions. Please see Ed Schwartz for a copy of those maps that you need.
