## ACKNOWLEDGMENTS

The Blacksburg Community Band would like to thank Dr. Diana Love for her wonderful support of the community band program since our inception 12 years ago. The band owes her a great debt of gratitude for her patience, assistance and cooperation. The band also thanks the Blacksburg High School for the use of the rehearsal space for the past 12 years.

The Band would also like to thank the Town of Blacksburg for the critical support that they offer and especially Dean Crane and the Town of Blacksburg Department of Parks and Recreation, who have made our efforts much easier!

The Band would like to offer a special thanks Richard Cole for donating his time to record our concerts for the past nine years.

We would also like to recognize the time and expertise given to us by James Sochinski. It has been wonderful to have musicians of his caliber that take the time to work with our band. We really appreciate what he has done for us!

Please join us for a reception in the High School Commons area directly after the concert and meet your friends and neighbors in the band. A huge thanks to Amy Hall for coordinating the refreshments this evening.
