ACKNOWLEDGMENTS

The Blacksburg Community Band would like to thank Dr. Diana Love for her wonderful support of the community band program since our inception 16 years ago. The band owes her a great debt of gratitude for her patience, assistance and cooperation. The band also thanks the Blacksburg High School for the use of the rehearsal space for the past 16 years.

The Band would also like to thank the Town of Blacksburg for the critical support that they offer. Especially Dean Crane and the Town of Blacksburg Department of Parks and Recreation, who have made our efforts much easier! A special thanks also goes out to Richard Cole for donating his time to record our concerts for the past thirteen years.

We would also like to recognize the time and expertise given to us by Dr. Joseph Blaha. It has been wonderful to have a musician of his caliber take the time to work with our band. We really appreciate the fresh insights that he has brought with his original music.

The Band would like to recognize the past participation of three of our "retired" members; Dana Spencer, Kazys Kecorius, and Craig Turner for their time and dedication to the Blacksburg Community Band.

Please join us for a reception in the High School Commons area directly after the concert and meet your friends and neighbors in the band. A huge thanks to Amy Hall for coordinating the refreshments this evening.
